15G RECYCLED POLYESTER LINER WITH MICRO FOAM NITRILE PALM COATED

ECOGRIP 51541G

FEATURES

- **CERTIFIED RECYCLED POLYESTER:**
15 gauge recycled polyester seamless knit is made from plastic bottles.
- **MICRO FOAM NITRILE COATED**
Mega-Air technology micro foam nitrile palm coated provides durability and outstanding grip in wet and oily conditions.
- **ULTRA COMFORT TACTILE:**
Soft with second skin fit feeling for long time wear with ease.
- **NICE SNUG FIT**
Dexterity and the ability to handle small
- **ECO-FRIENDLY**
Reducing levels of CO2 in the atmosphere

EN388

421X

SPECIFICATION :

- Gauge: 15G
- Liner material: Recycled polyester
- Coating material: Nitrile
- Coating texture: Micro foam
- Coating type: Palm coated

APPLICATIONS:

- Automotive
- Engineering & Manufacturing
- Transport & Logistics
- Waste Management
- Agriculture & Gardening
- Landscaping

PU Palm Coated is Available.

15G COLORFUL RECYCLED POLYESTER LINER WITH BLACK FOAM SANDY NITRILE PALM COATED

ECOGRIP 65542G

FEATURES

- **CERTIFIED COLORFUL RECYCLED POLYESTER**
50% above PET recycled polyester material made.
15g CO₂ reduced.
- **SANDY FOAM NITRILE COATED**
Sandy foam nitrile palm coated provides durability and outstanding grip in wet and oily conditions.
- **ULTRA COMFORT TACTILE**
Soft with second skin fit feeling for long time wear with ease.
- **NICE SNUG FIT**
Dexterity and the ability to handle small objects.

SPECIFICATION

- Gauge: 13G
- Liner material: Recycled colorful polyester
- Coating material: Nitrile
- Coating texture: Sandy foam
- Coating type: Palm coated

APPLICATIONS

- Automotive
- Engineering & Manufacturing
- Transport & Logistics
- Waste Management
- Agriculture & Gardening
- Landscaping

65542G

13G RECYCLED POLYESTER/ HPPE/GLASS FIBER KNITTED LINER WITH FOAM SANDY NITRILE PALM COATING

ECOGRIP 65323G

FEATURES

- **CERTIFIED RECYCLED POLYESTER**
50% above PET recycled polyester material made.
15g CO₂ reduced.
- **CUT LEVEL C PROTECTION**
13 gauge cut-resistant composite yarn seamless knit provides level C cut hazard hand protection.
- **SANDY FOAM NITRILE COATED**
Sandy foam nitrile palm coated provides durability and outstanding grip in wet and oily conditions.
- **ULTRA COMFORT TACTILE**
Soft with second skin fit feeling for long time wear with ease.

SPECIFICATION

- Gauge: 13G
- Liner material: Recycled polyester/HPPE/glass fiber
- Coating material: Nitrile
- Coating texture: Sandy foam
- Coating type: Palm coated

APPLICATIONS

- Constructions
- Facility maintenance
- Transport & Logistics
- Glass & Metal Handling
- Engineering & Manufacturing

65323G

15G RECYCLED POLYESTER/ SPANDEX/HPPE/ GLASS FIBER YARN KNITTED LINER WITH BLACK SANDY FOAM NITRILE PALM COATED

ECOG RIP 65544G

FEATURES

- **CERTIFIED RECYCLED POLYESTER**
50% above PET recycled polyester material made.
15g CO₂ reduced.
- **CUT LEVEL C PROTECTION**
15 gauge cut-resistant composite yarn
seamless knit provides level C cut hazard
hand protection.
- **SANDY FOAM NITRILE COATED**
Sandy foam nitrile palm coated provides durability
and outstanding grip in wet and oily conditions.
- **ULTRA COMFORT TACTILE**
Soft with second skin fit feeling for long time
wear with ease.

SPECIFICATION

- Gauge: 15G
- Liner material: Recycled polyester
/spandex/HPPE/glass fiber
- Coating material: Nitrile
- Coating texture: Sandy foam
- Coating type: Palm coated

APPLICATIONS

- Automotive
- Engineering & Manufacturing
- Transport & Logistics
- Facility maintenance
- Glass & Metal Handling
